SHOP CHAMBER!

M2M SHOP CHAMBER!

The St. Albert Chamber of Commerce is proud to present the **M2M SHOP CHAMBER!** program. The Member-to-Member program encourages you, our members, to favour other Chamber members when making purchasing decisions. We believe that “shopping Chamber” and supporting the business community is beneficial to *everyone*.

TWO WAYS TO PARTICIPATE:

A *ALL* Chamber members and their staff are eligible to receive discounts at participating Chamber businesses. Please send us an email with your name, business name and the number of employees you have. In return, we will send you the **M2M Cards** that are used for the **SHOP CHAMBER!** program. You and your staff can use these cards at participating Chamber businesses and receive exclusive discount offers!

B You can also become one of the **M2M** businesses offering discounts to other Chamber Members. Offering a Member-to-Member Discount is an effective way to build your business. Where else can you reach over 8000 potential clients in your community? Please contact the Chamber to learn more about how the **M2M** program can benefit *your* business.

To find out which businesses are participating **M2M** members, you can look through the **M2M** index in the 2009-2010 Membership Directory. A list of the current **M2M** discounts is listed in this booklet, and also at:

www.stalbertchamber.com/m2m

These discounts change every four months, and new participating businesses are constantly being added, so be sure to check the website for updated promotions. The following discounts may change after June 1, 2010.
